

The Speech House, LLC is growing! We currently have 2 positions available: OT-R and SLP. The OT-R and SLP positions are in the clinic setting in St. Robert. Our therapists enjoy living at the Lake of the Ozarks or near Fort Leonard Wood with flexible scheduling to meet their individual needs.

New graduates considered. Competitive pay!

Requirements:

- Master's degree in speech-language pathology, Master's degree in occupational therapy, or bachelor's degree in communication disorders
- Hold or able to obtain Missouri Board of Healing Arts license
- 1 year of experience with evidence of successful evaluation and treatment of children with disabilities and/or developmental delays (clinic/internship experience applicable)
- Able to provide structured and play-based therapy
- Proficiency working with early intervention, early childhood, and school-aged populations

Primary Duties:

- Provide screening, evaluation, and treatment to children with various developmental delays and/or disabilities
- Complete required paperwork to document services provided
- Work as an integral member of a multi-disciplinary team
